

Name	C_Name	Contribution	Year
Mr. K.C. Li	李國欽	Leadership in production of strategic metals, i.e. Tungsten, Tantalum, Molybdenum, Columbium, Hafnium, Zirconium and their alloys.	1957
Dr. Tsung Dao Lee	李政道	Co-authors on three papers on "Nonconservation of parity." Co-winners of Nobel Prize of physics in 1957.	1958
Dr. Chen-Ning Yang	楊振寧	Co-authors on three papers on "Nonconservation of parity." Co-winners of Nobel Prize of physics in 1957.	1958
Dr. Chien-Shuing Wu	吳建雄	Performed experiments for both doctors Lee and Yang, and confirmed the authenticity of their theory	1958
Mr. Ieoh-Ming Pei	貝聿銘	Recognized as one of the top ten architects in the United States.	1958
Mr. Wen-Tsing Chow	周文俊	Inertial navigation and guidance system for missiles and space vehicles.	1959
Prof. Lan-Jen Chu	朱蘭成	Leading authority on microwave and special antennas.	1959
Prof. Yu-Hsiu Ku	顧毓琇	Leading engineer mathematician whose analysis of non-linear systems worldly known.	1959
Dr. Kuan-Han Sun	孫觀漢	Leading engineer and physicist in nucleonics field. Helped setting up the nuclear engineering laboratory in Hsin-Chu, Taiwan.	1960
Prof. Ju-Chin Chu	朱汝瑾	Well known consulting engineer and scientist. Unit operations in process development and engineering.	1960
Dr. Chao C. Wang	王兆振	Research in solid state microwave electronics, thermo-ionic emission and microwave plasma interaction.	1960
Prof. Tung-Yen Lin	林同棧	Leading authority on Prestressed Concrete.	1961
Dr. Wen-Yuan Pan	潘文淵	Contribution to the Ultra-high frequency technique, leading to the implementation of wider field of television service.	1961
Dr. Luke C. L. Yuan	袁家驩	Well-known figure on design, construction and experiments on high energy accelerators.	1961
Prof. David K. Cheng	鄭鈞	Advanced research on antenna and phased array.	1962
Dr. Thomas T. H. Lee	李天和	Research and development of high-power vacuum interrupters for the power industry.	1962
Prof. Shih I Pai	柏實義	Theories on magnetogasdynamics and plasma dynamics.	1962
Prof. Shu-Tien Li	李書田	Well-known author and consulting engineer. Also his development work on Unified Energy-Matrix Analysis.	1963
Prof. Chia Chiao Lin	林家翹	Contributions to the theory of hydrodynamic stability and theory of turbulence.	1963
Dr. Kern K. N. Chang	張可南	Outstanding theoretical and experimental research on electro-beam focusing and on parametric and tunnel diode devices.	1964
Prof. H. Y. Fan	范緒筠	Achieved international prominence in searching for the essential physical characteristics of semiconductors.	1964
Mr. T.C. Tsao	趙曾珪	Engineer, scientist, author and administrator of international renown. Fellow IEEE, Fellow AAS, MCIE, MIKE (United Kingdom), MASME, MIM, etc. Ardent supporter and past president of CIE.	1964
Prof. Ven-te Chow	周文德	World-known contribution in open-channel hydraulics.	1965
Prof. Y. C. Fung	馮肇楨	Authority on aeroelasticity and solid state mechanics.	1965
Prof. Choh-Hao Li	李卓皓	World famous bio-chemist, first isolated ACTH, then TSH, recently completed analysis of HGH (human growth hormone).	1965
Prof. C. J. Huang	黃振榮	Research in interphase mass transfer mechanisms.	1966
Prof. Tung-Hua Lin	林同輝	Authority on elastic and plastic behavior of structures to dynamic load.	1966
Dr. P. K. Tien	田炳耕	Outstanding research on parametric amplifiers and gas lasers.	1966
Prof. Arthur W. Lo	羅无念	Formation of some of the fundamental principles of digital electronics and development of a number of semiconductor and magnetic digital devices and circuits.	1967
Dr. Wellington H. T. Loh	陸孝同	Leading authority on dynamics and thermodynamics of re-entry and planetary entry.	1967
Prof. Chih-Bing Ling	林致平	Researcher in the field of applied mechanics and mathematics.	1968
Prof. Chia-Shun Yih	易家訓	Recognized for his achievements on the theory of nonhomogeneous stratified flow.	1968
Mr. Edward K. Nieh	聶光坡	Instrumental in the formulation of the Chinese Institute of Engineers, New York, Inc.	1968
Dr. Morgan C. Y. Sze	施銓元	In recognition for his work in the field of Chemical Engineering.	1969
Dr. An Wang	王安	Development of computer systems and electronic calculators.	1969
Dr. Way Dong Woo	何惠棠	For his contribution in the field of digital systems.	1970
Mr. Walter Fei	費驊	For his leadership and outstanding services in engineering management.	1971
Dr. Hsuan Yeh	葉玄	For his outstanding contribution in the field of fluid and analytical mechanics.	1971
Dr. Utah Tsao	曹友德	For his creative contribution in chemical process design.	1971
Mr. Benjamin K. Cheng	鄭國賓	Leadership and service to the Chinese Engineering Society.	1971
Dr. T. W. Liao	廖增式	For his high power and high voltage engineering research and development.	1972
Mr. C. D. Shiah	夏勤鐸	For his contributions in petroleum processes.	1972
Mr. Y. C. Yang	楊裕球	For his advanced concept in structural design.	1972
Mr. Shao C. Jem	詹紹啟	For his enthusiastic and consistent service to CIE-USA.	1972
Dr. Sin-I Cheng	程心一	For his contribution to Jet, Rocket, Nuclear, Ion, and Electric Propulsion.	1973
Mr. Jeffrey Chu	朱傳渠	For his contribution to The Continuous Development and Management of Computer Technology for the Past Quarter Century.	1973
Mr. J. T. Shaw	蕭存人	For his outstanding leadership in Development Industrial Enterprises and in Fostering International Relationship with Southeast Asia.	1973
Mr. Yun-Suan Sun	孫運璿	For his outstanding leadership and contributions in promoting technological research and development in The Republic of China.	1974
Dr. Hung-Chang Lin	凌宏璋	For his pioneering contributions to the mono-lithic integrated electronics technology	1974
Dr. Kang-Jen Liu	劉康仁	For his outstanding contributions to pure and allied chemistry.	1974
Mr. K. T. Li	李國鼎	For his outstanding contribution to the mobilization of productive resources in the Republic of China.	1975
Dr. Ernest Kuh	葛守仁	For his outstanding contribution to research and teaching in circuit theory and systems and his leadership in engineering education.	1975
Dr. George C. Sih	薛昌明	For his outstanding contribution in research and teaching in fracture mechanics.	1975
Mr. K. S. Chang	張光世	For his leadership in promoting the economic growth and industrial expansion in the Republic of China.	1976
Mr. H. C. Fang	方賢齊	For his contribution to the development of telecommunication systems in the Republic of China.	1976

Dr. Simon K. Chen	陳國祥	For his outstanding contribution to the development of diesel engines.	1976
Dr. Samuel C. C. Ting	丁肇中	For his outstanding contribution in the discovery of the "J" particle triggered the finding of a whole family of similar particles.	1976
Mr. Jerome S. N. Hu	胡新南	For his outstanding leadership in modernizing and expanding the petrochemical industries in the Republic of China.	1977
Dr. A. Tobey Yu	俞靄庭	For his contribution in the field of Material handling technology related to the design and construction of ship-barge loading systems.	1977
Dr. Wen H. Ko	葛文勛	For his contribution in bio-medical engineering and teaching.	1977
Mr. Lan-Kao Chen	陳蘭皋	For his distinguished leadership in modernizing and expanding the power industry in the Republic of China.	1978
Mr. I-Fang Tang	鄧義芳	For his outstanding contributions to the success of the industrial and economic development in the Republic of Singapore.	1978
Mr. Kuo-Chi Wang	王國琦	For his outstanding service to CIE in promoting the cooperation between the CIE/ROC and CIE/USA.	1978
Dr. Ti-Kang Kwei	桂體剛	For his pioneering contributions in the composite and diffusion in macromolecular systems.	1978
Dr. Tingye Li	厲鼎毅	For his fundamental contributions to laser-resonator theory and his outstanding contributions in optical communications.	1978
Mr. Chang-Ching Wang	王章清	For his outstanding contribution in the municipal planning and transportation engineering.	1979
Mr. Hsiao-Chang Yen	嚴孝章	For his outstanding worldwide contribution in construction engineering.	1979
Dr. Catherine S. H. Chen	陳夏瑞華	For her contribution to the advancement of polymer chemistry and engineering.	1979
Dr. Mo-Shing Chen	陳謨星	For his contribution to the advancement of electrical power engineering and technology.	1979
Mr. Frank Y. S. Chen	陳耀生	For his dedicated service to the Institute.	1979
Dr. Henry L. Wen	溫陵雄	For his dedicated service to the Institute.	1979
Mr. William Y. T. Chao	趙耀東	For his contribution to the steel industry in the Republic of China.	1980
Mr. Hsu Chang	張煦	For his contribution to magnetic memories and computer science.	1980
Mr. Gilbert Chin	陳耀煜	For his contribution to the fundamental understanding of crystal plasticity and to the development of magnetic alloys.	1980
Mr. George C. Lee	李元兆	For his contribution to structural engineering, bio-mechanics, and engineering education.	1980
Dr. T.S. Lin	林挺生	In recognition of his outstanding industrial leadership, educator and citizenship.	1981
Mr. Yung-Ning Wei	韋永寧	In recognition of his exemplary leadership in promoting industrial development in the Republic of China.	1981
Dr. Leonard Y. Liu	劉英武	In recognition of his outstanding organizational capability and system management and operation.	1981
Dr. Y. L. Fan	范又陵	In recognition of his excellent leadership in CIE operation.	1981
Mr. Yi-Ting Wong	汪彝定	In recognition of his outstanding contribution to the international trade promotion for ROC.	1982
Mr. S. F. Tung	董世芬	In recognition of his life-long devoted service in petrochemical industry and as a successful manager of national enterprise.	1982
Dr. Hwa-Nien Yu	虞華年	In recognition of his outstanding contribution to silicon technology and his pioneering work in VLSI technology.	1982
Mr. T. F. Huang	黃子發	In recognition of his numerous contributions in naval architecture and his successful design and building of the world's largest crude oil tanker.	1982
Dr. Roxy Ni Fan	范倪如珍	In recognition of her contribution to the modern printing technology.	1982
Mr. Y. C. Yang	楊裕球	In recognition of his devoted institute service and working spirit.	1982
Dr. King-Sun Fu	傅京生	For his leadership in Engineering education and contribution to pattern recognition.	1983
Mr. David S. Lee	李善麟	For his successful development of computer peripheral industry.	1983
Dr. Chi-Cheng Chang	張繼正	For his leadership in applied scientific management to government service.	1983
Mr. Ta-hai Lee	李達海	For his unique effort and success in petroleum industry.	1983
Mrs. Linda Liu	劉黎琬	For her devoted service to CIE/USA.	1983
Dr. Morris Chang	張忠謀	For his outstanding leadership and pioneering contribution to electronic industry.	1984
Dr. David H. Cheng	鄭鴻	For his outstanding contribution to engineering education.	1984
Dr. T. Y. Shen		For his outstanding achievement in medicinal	1984
Dr. S. S. Shu	徐賢修	For his contribution in promoting industrial	1984
Dr. Vivin W. Yen	嚴吳舜文	For her pioneering contribution and leadership in textile and automotive industries in the Republic of China.	1984
Dr. Alfred Y. Cho	卓以和	For his outstanding research in new technology, materials and devices.	1985
Mr. W. M. Lu	盧偉民	For his achievement in city planning both in the USA and abroad.	1985
Dr. David I. J. Wang	王義炤	For his advancement of new technology and new industrial ventures.	1985
Dr. Taylor G. Wang	王贛駿	For his contribution to space physics.	1985
Dr. C. H. Yen	閻振興	For his pioneering promotion of METS and the USA and abroad.	1985
His Excellency C. K. Yen	嚴家淦	For his uninterrupted support and policy guidance to the METS since its inception in 1966.	1986
Dr. James Wei	韋潛光	For his excellent leadership in engineering research and education.	1986
Dr. Y. C. L. (Susan) Wu		For her pioneering work in magnetohydrodynamics research and leadership in energy conversion R & D programs.	1986
Dr. Charles Kao	高錕	For his pioneering research and accomplishment in the field of optical fiber communications.	1986
Dr. J. Carl Hsu	許濬	For his leadership and outstanding contributions to the development of switching and computer systems.	1987
Mr. Stanley Shih	施振榮	A pioneer contributor to a successful high-tech industry in a developing country.	1987
Dr. Paul Ching Wu Chu	朱經武	For his pioneering contribution to superconductivity.	1987
Dr. Sun-Nan Hong	洪勝男	For his leadership and dedication to the formation of the CIE-USA National Council.	1987
Dr. Kuei-Wu Tsai	蔡桂伍	For his leadership and dedication to the formation of the CIE-USA National Council.	1987
Dr. L. A. Chen	陳履安	For his contribution to the promotion planning and coordination of the technological in the Republic of China.	1988
Dr. H. T. Kung	孔祥重	For his contribution to the development of systolic arrays in computer science.	1988
Dr. Patrick Kung	龔忠恕	For his contribution to the medical applications of monoclonal antibody and T-cells.	1988

Dr. Otto C. C. Lin	林 垂 宙	For his scientific achievements in polymeric field and his contribution to the establishment of an outstanding material research institute in the Republic of China.	1988
Dr. Wen Lin	林 文	For his dedicated and unselfish service to the professional cause of this Institute.	1988
Dr. Herbert Chang	張 佑 邦	For his outstanding contribution to the Electronic Switching Technology and Telecommunication Industry.	1989
Dr. Chintay Shih	史 欽 泰	For his contributions to the Advancement of the Micro-Electronic Technology and Electronic Industry in the Republic of China.	1989
Mr. Yung-Shih Kuan	關 永 實	For his distinguished service in the Advancement of Petrochemical Industry in the Republic of China.	1989
Dr. Shih-Chien Yang	楊 世 緘	For his distinguished contributions to the Scientific and Industrial in the Republic of China.	1989
Ms. Grace C. C. Lee	李 慶 珠	For her leadership and dedication to the Institute and the Professional Scientific Community.	1989
Dr. Chung-Ming An	安 仲 明	For his dedicated service to the Institute and Technical Advancement in the Engineering Society.	1989
Mr. Arthur Y. Chen	陳 豫	For his outstanding contributions to the engineering and construction industry in ROC.	1990
Dr. Michael C. Chen	陳 建 國	For his distinguished service and outstanding financial management for the Institute.	1990
Dr. N. Y. Chen	陳 迺 沅	For his outstanding contributions to the Zeolite Catalyst Technology and Petrochemical Industry	1990
Dr. Shirley W. Y. Kuo	郭 婉 容	For her distinguish service in the economic planning and development in ROC.	1991
Dr. Eugene Y. H. Chien	簡 又 新	For his outstanding contribution to environment legislation and creativity in the development of Environmental Awareness in ROC.	1991
Dr. Gordon T. Chen	陳 大 雄	In recognition of his service to the Institute.	1991
Dr. Eric S. Hsiue	薛 一 新	In recognition of his service to the Institute and METS.	1991
Dr. Wei-Kuo Lee	李 維 國	In recognition of his dedicated service to the Institute.	1991
Dr. Anthony C.H. Ku	谷 家 恆	For his achievement in applied research and technology development.	1992
Dr. Norman N. Li	黎 念 之	For his achievement in separation science and technology.	1992
Dr. K. K. Wang	王 國 金	For his achievement in automation and manufacturing engineering	1992
Mr. Vincent C. Siew	蕭 萬 長	For his leadership in promoting the economic growth in Taiwan.	1992
Mr. Junru Ma	馬 俊 如	For his achievement in promoting foreign expert and technology exchange for China.	1992
Dr. Charles M. Tsai	蔡 明 曉	For his dedicated service to the Institute and METS	1992
Mr. Jie Wang	王 吉	For his exemplary entrepreneurial spirit and managerial skill in transforming a research institute to a prosperous enterprise in Jiangsu	1993
Ms. Li-lan Zhu	朱 麗 蘭	For her leadership in planning and implementation of central policies for the development of modern technologies in China	1993
Dr. Shu-Jou Lee	李 樹 久	For his dedicated service and accomplishment in guiding the economic development in Taiwan	1993
Dr. Janpu Hou	侯 展 璞	For his dedicated service to the Institute and SATEC	1993
Dr. Hui Hwui Chin	陳 幼 慧	For her dedicated service to the Institute	1994
Dr. David C. Chang	張 鐘 浚	For his accomplishment in the academia and leadership in the field of electromagnetic	1994
Dr. Ying-Kao Lee		For his outstanding contribution to the areas of automotive and electronic coatings	1994
Mr. Chung-Yu Wang	王 鐘 渝	For his leadership and accomplishment in the steel industry in Taiwan	1994
Prof. Xuan Wang	王 選	For his leadership and accomplishment in the Chinese typesetting system in China	1994
Mr. Chung-Kung Shih	石 中 光	For his leadership and outstanding contribution to public construction	1995
Mr. C. S. Liu		For his pioneering contribution to pharmaceutical manufacturing industry	1995
Dr. Chih Yuan Lu	盧 志 遠	For his outstanding achievement in submicron IC development	1995
Mr. Guangnan Ni	倪 光 南	For his excellent contribution to the development of computer industry	1995
Dr. Thomas P.K. Chang	張 平 康	For his dedicated service to the Institute	1995
Mr. Robert H. C. TSAO	曹 興 誠	For his achievements and outstanding contribution in the development of microelectronics industries in ROC.	1996
Dr. Steve S. Cheng	鄭 瑞 雨	For his achievements and outstanding contribution in the development of communication industries in ROC.	1996
Mr. Hanyan Yang	楊 漢 炎	For his dedication and outstanding service to the course of technology transfer from U.S. Chinese engineering communities to the People's Republic of China.	1996
Dr. Chiao Yeh	葉 翹	For his dedication and outstanding service to the professional cause of this Institute.	1996
Dr. Chen Chiang	蔣 震	For his outstanding contribution in engineering education and leadership in modernization of the Chinese machinery industry.	1997
Dr. Chi-Fu Den	鄧 啟 福	For his outstanding contributions in engineering education and in the promotion of cooperation among Chinese Universities.	1997
Dr. Shilie Weng	翁 史 烈	For his outstanding contributions in engineering education and in the promotion of cooperation among Chinese Universities.	1997
Dr. Tien-Pei Lee	李 天 培	For his outstanding contribution to opto-electronics and communications.	1997
Dr. Ding Yuen Yang	楊 丁 元	For his outstanding contribution in the advancement of micro electronics and computer technologies in Taiwan, ROC.	1997
Dr. Tsu-Wu Chou	周 祖 武	For his leadership and dedications to the Chinese engineering communities.	1997
Mr. Jun Ru Ma	馬 俊 如	In recognition of his outstanding contribution to SATEC program.	1997
Dr. Yen-Shiang. Shih	施 顏 祥	In recognition of his outstanding contribution to the METS program.	1997
Dr. Benjamin Chu	朱 鵬 飛	For his outstanding achievement in the fields of physical chemistry, polymer physics and material science.	1998
Dr. Shui Yee Lee	李 瑞 儒	For his leadership and technical innovation in the development of service design and inventory management system.	1998
Mr. Michael Mou	莫 自 治	For his outstanding contribution in the development of personal telecommunication products.	1998
Dr. Bingqun Xiong	熊 秉 群	For his achievements and outstanding contribution in the development of national telecommunication industry in PRC.	1998
Dr. Kuo-Kuang Hsu	許 國 光	For his enthusiastic and consistent services to the Institute	1998
Dr. Lin-Nan Lee	李 寧 南	For his outstanding service in the field of Wireless and Satellite Communications	1999
Dr. Won T. Tsang	曾 煥 添	For his contribution to the advancement of Semiconductor Laser Material and Devices	1999
Dr. Bede Liu	劉 必 治	For his distinguished contribution to engineering education, network theory and digital signaling processing.	2000

Dr. William C. Y. Lee	李建業	For his contribution to wireless communications – as an author, inventor, researcher and manager.	2000
Dr. Da-Hsuan Feng	馮達旋	For his dedicated effort in coordination of Chinese American professional societies	2000
Dr. Sing H. Lin	林星雄	For his dedicated service to the Institute	2000
Mr. Ming-Hao Liu	劉明灝	For his long standing dedication service to the Institute	2000
Mr. Benjamin Cheng	鄭國賓	For his 35 years' dedication service to the Institute	2001
Dr. Tim Chen	陳啟雄	For his dedication service to the Institute	2001
Dr. Yih-yun Hsu	許翼雲	For his outstanding contribution to fundamentals of boiling heat transfer and nuclear power safety	2001
Dr. Cheng-Wen Wu	吳成文	For his outstanding contribution to the advancement of biomedical research	2001
Dr. Ovid J. L. Tzeng	曾志朗	For his outstanding services in education, research and policy making	2002
Dr. Chia Jung Liu	劉家榮	For his dedicated service to the Institute	2002
Dr. Chun-Yen Chang	張俊彥	For his pioneer contribution to semiconductor industry and outstanding services in education	2003
Dr. Jin Wu	吳京	For his outstanding services in high education and policy making	2003
Mr. Edward Yang	楊耀武	For his leadership and contribution to progress in information technology	2003
Dr. David Shaw	蕭台戈	For his contribution to research in aerosol and nanotechnology	2003
Dr. Edward Cheng	鄭世康	For his contribution to Hubble telescope project	2003
Dr. Ted Chongpi Lee	李聰碧	For his dedicated service to the Institute	2003
Dr. Carter Tseng	曾憲章	For his pioneer work and leadership in high-tech industry in Taiwan	2004
Dr. Ya-Qin Zhang	張亞勤	For his leadership and contributions in software development	2004
Dr. Frank Cheng	陳沙鳧	For his dedicated service to the Institute	2004
Dr. Johnsee Lee	李鍾熙	For his leadership and contribution to industrial research and development in Taiwan	2005
Dr. Peter T. C. Shih	石大成	For his pioneer leadership in the photonics industry in Taiwan	2005
Dr. William M. Tang	唐明武	For his leadership in fusion research and contribution to fundamentals of plasma science	2005
Dr. Allen Chen	陳政仁	For his dedicated service to the Institute	2005
Dr. Johnsee Lee	李鍾熙	For his leadership and contribution to industrial research and development in Taiwan	2005
Dr. Peter T. C. Shih	石大成	For his pioneer leadership in the photonics industry in Taiwan	2005
Dr. William M. Tang	唐明武	For his leadership in fusion research and contribution to fundamentals of plasma science	2005
Dr. Allen Chen	陳政仁	For his dedicated service to the Institute	2005
Dr. Harold Hwaling Szu	斯華齡	For his contribution to neural networks applications in information sciences	2006
Mr. John T.Yu	余俊彥		2006
Dr. Yi-Kang An	安宜康	For his dedicated service to the Institute	2006
Dr. Tse Wen Chang	張子文	For his contribution to insights in making genetically engineered antibodies and bioscience area	2007
Dr. Stephen Y. Chou	周郁	For his contribution to nanoscale patterning and the scaling of devices	2007
Dr. James C. M. Hwang	黃正民	For his contribution to development of molecular beam epitaxy manufacturing and hetero-structure devices and materials	2007
Mr. Huaping Huang	黃華平	For his contribution to lead the development of the largest hydroelectric river dam (China Yangtze Three Gorges Dam) in the world	2007
Dr. Biing-Hwang Juang	莊炳煌	For his contribution to speech coding and speech recognition	2007
Mr. Kuo-Ann Chiao		For his dedicated service to the Institute	2007
Ms. Mary S. Chan	肖美蕾	For her leadership in wireless innovation	2008
Dr. Jay Lee	李杰	For his leadership in manufacturing development and devoted service to engineering community	2008
Dr. Paul Lin	林寶樹	For his leadership in technology and industry development of broadband information and digital video	2008
Dr. Ralph Yang	楊祖保	For his contribution to hydrogen research	2008
Dr. Chein-Chi Chang	張建祺	For his dedicated service to the Institute	2008
Ms. Anne H. Chow	周慧安	For her leadership in business development and entrepreneurship	2009
Dr. Jingshown Wu	吳靜雄	For his contributions in telecommunication development in Taiwan	2009
Dr. Hai-Lung Dai	戴海龍	For his contributions in molecular and surface sciences	2009
Dr. H. Jonathan Chao	趙鴻翔	For his dedicated service to this Institute	2009
Dr. Jason Hsuan	宣建生	For his leadership in business development and entrepreneurship	2010
Dr. Andrew Wang	王惠鈞	For his outstanding contributions in anti-cancer drug-DNA complex	2010
Dr. Burn Lin	林本堅	For his contributions in immersion lithography technology which revolutionizes the global semiconductor manufacturing process	2011
Dr. Jyuo-Min Shyu	徐爵民	For his contributions in nanotechnology and leadership for Industrial Technology Research Institute (ITRI)	2011
Dr. Paul Lin	林少達	For his dedicated service to this Institute	2011
Dr. Victor Zue	舒維都	For his leadership in developing and executing long-term engagement plan on advanced education in China	2012
Ms. Marjorie Hsu	許鳳飛	For her innovative approach on fusion of business and technology for advancing wireless services	2012
Dr. Kai Li	李凱	For his contributions to revolutionize data storage management and scalable display in computer technology	2012
Dr. Rong Chang	張榮	For his dedicated service to this Institute	2012
Dr. Priscilla Lu	陸美衍	For her leadership in developing advanced-technology businesses and promoting entrepreneurship education programs	2013
Dr. Shoucheng Zhang	張首晟	For his groundbreaking discovery of quantum spin Hall Effect	2013
Dr. Shu-Ping Chang	張書平	For his dedicated service to this Institute	2013
Dr. Wen-Hann Wang	王文漢	For his outstanding technology contributions and corporate leadership	2014

Dr. Xiang Zhang	張翔	For his pioneering contributions in metamaterials and creation of the first optical superlens with resolutions beyond the fundamental diffraction limit	2014
Dr. XiaoWei Zhung	莊小威	For her pioneering contributions inbreaking the diffraction barrier with super-resolution imaging of cells	2014
Dr. Howard Chen	陳浩	For his dedicated service to this Institute	2014
Dr. Chih-Kung Lee	李世光	For his leadership in driving technological innovation and industrial collaboration, and his invention of modal sensors and actuators industry.	2015
Dr. Tso-Pin Ma	馬佐平	For his contribution to interdisciplinary research in the science and technology issues related to semiconductor devices and extraordinary contribution to the Chinese chemical industry.	2015
Dr. Donald T. Tang	唐道南	For his pioneering work on VLSI design automation and leadership in the development of world's first continuous Chinese speech recognition system.	2015
Dr. Yew-Huey Liu	劉玉慧	For her devoted service to this institute.	2015
Dr. Charles Ching-Hsiang Hsu	徐清祥	For his vision and leadership in the semiconductor industry.	2016
Dr. Minda Ho	何岷達	For his technical leadership in industry gas production and extraordinary contribution to the Chinese chemical industry.	2016
Dr. Paul Tang		For his leadership in driving health information technology to improve the quality of health care.	2016
Dr. Tien-Jen Cheng	鄭天人	For his devoted service to this institute.	2016
Dr. James Si-Cheng Chao	趙錫成	For his leadership in adopting energy-efficient and eco-friendly ship design and technology.	2017
Dr. Man-Chung Tang	鄧文中	For his outstanding contribution to bridge design and construction engineering.	2017
Dr. Janpu Hou	侯展璞	For his leadership in developing fiber optic technology and establishing the Sino-American Technology and Engineering Conference (SATEC).	2017
Dr. Sean S H. Wang	王韶華	For his contribution to high-tech incubation and international research collaboration.	2017
Mr. Richard Liu	劉強東	For his visionary leadership in developing the e-commerce platform and drone technology.	2017
Mr. William Yeh	葉振忠	For his contribution to information-sharing technology and integrated case management system.	2017
Dr. C. Eric Wu	吳振藩	For his contribution to the Institute, and to the computer industry in the areas of computer architecture, operating system, and cloud automation.	2017
Dr. Jun-Min Liu	劉主民	For his contribution to the advancement of scheduling algorithm, capacity planning, and risk management in telecom and aviation industries	2017
Dr. Yuh-Jier Mii	米玉傑	For his leadership at TSMC and the semiconductor technology.	2018
Dr. Kang Wang	王康隆	For his leadership in magnetic memory technologies and contributions to topological spintronics.	2018
Mr. Clement Lin	林茂昌	For his leadership at Nexcom, Robotics, Industry 4.0, and being the driving force in Taiwan.	2018
Dr. Kun-Lung Wu	吳坤龍	For his contribution to the Institute.	2018
Dr. Howard Chen	陳浩	For his contribution to the Institute.	2018
Mr. Clement Lin	卓桐華	For his leadership at Inventec Corp. and the electronics industry in Taiwan	2019
Prof. Jeannette M. Wing	周以真	For her intellectual leadership in computer science, particularly in trustworthy computing	2019
Prof. Stephen S. Yau	丘錫生	For his dedication and leadership in software engineering and science	2019
Prof. Yuanyuan Zhou	周源源	For her setting-up an exemplary model to the Chinese American Community as both an outstanding researcher and a successful entrepreneur	2019
Dr. I-Hsin Chung	鍾一新	For his contribution to the Institute.	2019
Dr. Leon O. Chua	蔡少棠	For his contributions to Memristor and other forms of this concept for Neural Network Applications	2021
Dr. Philip S. Yu	俞士綸	For his significant contributions to Data Management	2021
Dr. Carl K. Chang	張可昭	For his significant contributions to IEEE Computer Society	2021
Dr. Keith Kwong Hon Wong	黃洸漢	For his devoted service to this Institute	2021
Dr. Monsong Chen	陳孟松	For his devoted service to this Institute	2021
